Advocate for the Plaintiff

THE PLAINTIFF ABOVE NAMED RESPECTFULLY SUBMITS AS UNDER:

1. This is a suit by a consultant for the price of work that the Defendant asked for, received and

accepted in writing, and then did not pay for. The Plaintiff claims Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) towards two unpaid invoices, interest of Rs. 25,742 (Rupees Twenty-Five Thousand Seven Hundred and Forty-Two only) up to the date of the suit, further interest, and costs. The total amount claimed in this suit is Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only).

2. No party to this suit is a minor or a person of unsound mind.

THE PARTIES

3. The Plaintiff is an individual and a management consultant. She advises manufacturing businesses on inventory control, quality systems and plant processes. She carries on that business as a sole proprietor under the trade name Bluestone Process Consulting. The trade name is not a separate legal person, and the Plaintiff sues in her own name. She has not assigned the claim in this suit or any part of it to anyone.

4. The Defendant is a private limited company incorporated under the Companies Act, 2013. It runs a food processing plant at Plot 12, Example Industrial Estate, Hadapsar, Pune 411013. Its registered office, which is also its sole and principal office, is at Office 204, Example Plaza, Baner Road, Pune 411045, within the local limits of the jurisdiction of this Hon'ble Court. Its Managing Director is Rohan Mehta, who signed the Agreement described below on its behalf.

5. The Defendant is a necessary party. It is the party to the Agreement, it received the Plaintiff's services, and it is liable to answer the Plaintiff's demand for payment.

FACTS: THE AGREEMENT

6. On 4 March 2024 (the fourth day of March, two thousand and twenty-four), the Plaintiff and the Defendant signed a written Consultancy Agreement (the "Agreement") at Pune. A copy of the Agreement is listed as Document No. 1 in the list of documents filed with this plaint.

7. The effect of the Agreement, so far as it is material to this suit, is as follows:

(a) the Plaintiff was to design and install an inventory control and quality assurance system at the Defendant's plant, in three milestones described in Schedule 1 to the Agreement: Milestone 1, a study of existing processes and a written gap report; Milestone 2, written standard operating procedures and the setup of the inventory software; and Milestone 3, training of the Defendant's staff and a final handover report;

(b) the total fee was Rs. 3,60,000 (Rupees Three Lakh Sixty Thousand only), payable in three equal parts of Rs. 1,20,000 (Rupees One Lakh Twenty Thousand only) each, one for each milestone, inclusive of all taxes;

(c) the Plaintiff was to raise an invoice on completion of each milestone, and the Defendant was to pay it by bank transfer to the Plaintiff's account at Pune. The Agreement fixed no date or period within which an invoice had to be paid; and

(d) a milestone was complete when the Defendant's Plant Head confirmed it in writing or by email.

8. The Agreement does not contain any clause for arbitration or for the exclusive jurisdiction of any other court.

FACTS: PERFORMANCE BY THE PLAINTIFF

9. The Plaintiff began work at the Defendant's plant soon after the Agreement was signed. She completed Milestone 1 and delivered the gap report on 15 May 2024 (the fifteenth day of May,

two thousand and twenty-four). The Defendant's Plant Head, Arjun Patil, confirmed completion by email the same day. The Plaintiff raised Invoice No. BPC/2024/05 for Rs. 1,20,000 (Rupees One Lakh Twenty Thousand only). The Defendant paid that invoice in full by bank transfer on 10 June 2024 (the tenth day of June, two thousand and twenty-four). That payment is not part of this claim.

10. The Plaintiff completed Milestone 2 on 31 July 2024 (the thirty-first day of July, two thousand and twenty-four). She delivered the written standard operating procedures and set up the inventory software on the Defendant's computers. The Plant Head confirmed completion by email dated 31 July 2024 (the thirty-first day of July, two thousand and twenty-four). On 1 August 2024 (the first day of August, two thousand and twenty-four), the Plaintiff raised Invoice No. BPC/2024/08 for Rs. 1,20,000 (Rupees One Lakh Twenty Thousand only).

11. The Plaintiff completed Milestone 3 on 31 October 2024 (the thirty-first day of October, two thousand and twenty-four). She trained the Defendant's stores and quality staff over six sessions at the plant and delivered the final handover report. By email dated 4 November 2024 (the fourth day of November, two thousand and twenty-four), the Plant Head confirmed that all three milestones were complete and that the system was in use. On the same day, the Plaintiff raised Invoice No. BPC/2024/11 for Rs. 1,20,000 (Rupees One Lakh Twenty Thousand only).

12. The Defendant never complained about the quality or timing of the Plaintiff's work, and it has continued to use the system since then. The Plaintiff has done everything that the Agreement required of her.

FACTS: NON-PAYMENT, DEMANDS AND LEGAL NOTICE

13. The Defendant did not pay Invoice No. BPC/2024/08 or Invoice No. BPC/2024/11. The amount due under the two invoices together is Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only).

14. The Plaintiff asked for payment by emails dated 2 December 2024 (the second day of December, two thousand and twenty-four) and 6 January 2025 (the sixth day of January, two thousand and twenty-five). The Defendant did not dispute the invoices in reply.

15. By a letter dated 10 January 2025 (the tenth day of January, two thousand and twenty-five) on its letterhead, signed by its Managing Director, the Defendant admitted that Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) was due to the Plaintiff under the two invoices and promised to pay it by 31 March 2025 (the thirty-first day of March, two thousand and twenty-five). The Defendant did not pay by that date or at all.

16. The Plaintiff then sent the Defendant a legal notice dated 5 August 2025 (the fifth day of August, two thousand and twenty-five) through her advocate, by speed post with proof of delivery and by email. The notice was delivered on 8 August 2025 (the eighth day of August, two thousand and twenty-five). It called on the Defendant to pay Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) within fifteen days of receipt. It also stated that, if payment was not made, the Plaintiff would claim interest at 9% (nine per cent) per annum from 24 August 2025 (the twenty-fourth day of August, two thousand and twenty-five) until payment.

17. The Defendant neither replied to the legal notice nor paid any amount. It remains liable to pay the Plaintiff Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) with interest.

CAUSE OF ACTION AND WHEN IT AROSE

18. The cause of action for this suit arose against the Defendant at Pune:

Downloaded from legaldraftapp.com. General information, not legal advice. Have a qualified lawyer review this document before you rely on it.

(a) on 4 March 2024 (the fourth day of March, two thousand and twenty-four), when the Agreement was signed at Pune;

(b) on 31 July 2024 (the thirty-first day of July, two thousand and twenty-four) and 31 October 2024 (the thirty-first day of October, two thousand and twenty-four), when the Plaintiff completed Milestones 2 and 3 at the Defendant's plant;

(c) on 1 August 2024 (the first day of August, two thousand and twenty-four) and 4 November 2024 (the fourth day of November, two thousand and twenty-four), when the Plaintiff raised the two unpaid invoices;

(d) on 10 January 2025 (the tenth day of January, two thousand and twenty-five), when the Defendant admitted the debt in writing;

(e) on 8 August 2025 (the eighth day of August, two thousand and twenty-five), when the legal notice was delivered; and

(f) on the expiry of fifteen days from that date, when the Defendant failed to pay as demanded.

19. The cause of action is continuing, because the Defendant has not paid the amount due.

LIMITATION

20. The claim is for the price of work done by the Plaintiff at the Defendant's request, where no time was fixed for payment. The period of limitation is three years from when the work was done, under Article 18 of the Schedule to the Limitation Act, 1963.

21. The work under Milestone 2 was done on 31 July 2024 (the thirty-first day of July, two thousand and twenty-four) and the work under Milestone 3 on 31 October 2024 (the thirty-first day of October, two thousand and twenty-four). Three years from those dates had not expired on the date of this suit.

22. In any event, the Defendant acknowledged its liability for Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) in writing, in the letter dated 10 January 2025 (the tenth day of January, two thousand and twenty-five) signed by its Managing Director, before the period of limitation expired. Under Section 18 of the Limitation Act, 1963, a fresh period of limitation runs from that date.

23. The suit is therefore within time. The Plaintiff does not claim any exemption from the law of limitation.

TERRITORIAL JURISDICTION

24. This Hon'ble Court has territorial jurisdiction under Section 20 of the Code of Civil Procedure, 1908, because:

(a) the Defendant is a company whose sole and principal office is at Office 204, Example Plaza, Baner Road, Pune 411045, within the local limits of this Court. Under the Explanation to Section 20, it is deemed to carry on business there; and

(b) the cause of action arose wholly within those limits: the Agreement was signed, the work was done, the invoices were received and payment was to be made at Pune.

PECUNIARY JURISDICTION

25. This is a suit of a civil nature. Its cognizance is not barred, expressly or impliedly, by any law.

The value of the suit is Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only). That value is within the pecuniary jurisdiction of this Hon'ble Court, which is the court of the lowest grade competent to try the suit under Section 15 of the Code of Civil Procedure, 1908.

VALUATION AND COURT FEE

27. The suit is for money. It is valued as follows:

Item

Amount

Principal: Invoice No. BPC/2024/08

Rs. 1,20,000 (Rupees One Lakh Twenty Thousand only)

Principal: Invoice No. BPC/2024/11

Rs. 1,20,000 (Rupees One Lakh Twenty Thousand only)

Interest at 9% (nine per cent) per annum from 24 August 2025 (the twenty-fourth day of August, two thousand and twenty-five) to 2 November 2026 (the second day of November, two thousand and twenty-six)

Rs. 25,742 (Rupees Twenty-Five Thousand Seven Hundred and Forty-Two only)

Total claimed

Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only)

28. The value of the subject-matter of the suit for the purposes of jurisdiction is Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only), and for the purposes of court fees is Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only). The Plaintiff has paid ad valorem court fee on that amount under the court-fee law in force in the State of Maharashtra. The e-challan or stamp for the court fee is filed with this plaint.

INTEREST CLAIMED

29. **Interest before the suit.** The legal notice dated 5 August 2025 (the fifth day of August, two thousand and twenty-five) told the Defendant in writing that interest would be claimed from 24 August 2025 (the twenty-fourth day of August, two thousand and twenty-five). The Plaintiff claims interest on Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) at 9% (nine per cent) per annum from 24 August 2025 (the twenty-fourth day of August, two thousand and twenty-five) to 2 November 2026 (the second day of November, two thousand and twenty-six), the date of this suit. That period is 435 (four hundred and thirty-five) days. The interest for that period is Rs. 25,742 (Rupees Twenty-Five Thousand Seven Hundred and Forty-Two only), worked out as Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) x 9% (nine per cent) x 435 (four hundred and thirty-five) days / 365. The interest runs at Rs. 59.18 (Rupees Fifty-Nine and Eighteen Paise) per day. The Plaintiff asks this Hon'ble Court to allow interest for this period under Section 3 of the Interest Act, 1978, at the rate claimed or at such rate, not above the current rate, as the Court thinks fit.

30. **Interest during the suit.** The Plaintiff claims interest on the principal sum of Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) at 9% (nine per cent) per annum, or such reasonable rate as the Court thinks fit, from the date of the suit to the date of the decree, under Section 34 of

the Code of Civil Procedure, 1908.

31. **Interest after the decree.** The Plaintiff claims further interest on the principal sum at 6% (six per cent) per annum from the date of the decree until payment, under Section 34 of the Code of Civil Procedure, 1908.

STATUS OF THE SUIT: COMMERCIAL COURTS ACT AND SECTION 80

32. The dispute arises out of a consultancy agreement. Its value, Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only), is less than three lakh rupees, which is the specified value under Section 2(1)(i) of the Commercial Courts Act, 2015. The suit is therefore not a commercial dispute of specified value. It is filed as an ordinary civil suit, and pre-institution mediation under Section 12A of that Act does not apply to it.

33. The Defendant is a private company. It is not the Government or a public officer, so no notice under Section 80 of the Code of Civil Procedure, 1908 is required.

34. The suit is not filed under Order XXXVII of the Code of Civil Procedure, 1908.

NO OTHER SUIT AND WHOLE CLAIM

35. The Plaintiff has not filed any other suit or proceeding against the Defendant on the same cause of action in this or any other court, and none is pending.

36. This suit includes the whole of the claim that the Plaintiff is entitled to make on this cause of action. The Plaintiff has not omitted or relinquished any part of it. No amount has been paid by the Defendant towards the two invoices, and the Plaintiff has allowed no set-off because none is due to the Defendant.

PRAYER

37. The Plaintiff therefore prays that this Hon'ble Court may be pleased to:

(a) pass a decree directing the Defendant to pay the Plaintiff Rs. 2,65,742 (Rupees Two Lakh Sixty-Five Thousand Seven Hundred and Forty-Two only), made up of the principal sum of Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) and interest of Rs. 25,742 (Rupees Twenty-Five Thousand Seven Hundred and Forty-Two only) up to the date of the suit;

(b) award interest on the principal sum of Rs. 2,40,000 (Rupees Two Lakh Forty Thousand only) at 9% (nine per cent) per annum, or at such reasonable rate as this Hon'ble Court thinks fit, from the date of the suit to the date of the decree;

(c) award further interest on the principal sum at 6% (six per cent) per annum from the date of the decree until payment;

(d) award the Plaintiff the costs of this suit; and

(e) pass any other order that this Hon'ble Court thinks fit in the facts of the case.
