In this petition, Petitioner No. 1 and Petitioner No. 2 are together called the "**Petitioners**". The child of the marriage named in paragraph 3 is called the "**Child**".

JOINT PETITION FOR DISSOLUTION OF MARRIAGE BY A DECREE OF DIVORCE BY MUTUAL CONSENT UNDER SECTION 13B(1) OF THE HINDU MARRIAGE ACT, 1955

MOST RESPECTFULLY SHOWETH:

The Petitioners, who are wife and husband, present this petition together. Each of them signs it, verifies it and supports it with a separate affidavit. They state the facts below as distinctly as they can.

1. Solemnisation of the marriage

1.1 The marriage between Petitioner No. 1 and Petitioner No. 2 was solemnised on **14 February 2019** at Shubh Mangal Hall, Station Road, Ravipur, according to Hindu rites and ceremonies, in the presence of the families and friends of both sides.

1.2 Both Petitioners are Hindus by religion and were Hindus on the date of the marriage. The Hindu Marriage Act, 1955 (the "**Act**") applies to them and to the marriage.

1.3 The marriage was registered with the Registrar of Marriages, Ravipur on 11 March 2019. The certificate of marriage bears No. RM/2019/0412. A copy of the certificate is filed as **Annexure P-1**, and photographs of the ceremony are filed as **Annexure P-2**.

1.4 Neither Petitioner had a spouse living on the date of the marriage. The Petitioners are not within the degrees of prohibited relationship and are not sapindas of each other.

2. Status and addresses of the parties

2.1 Before the marriage, Petitioner No. 1 was unmarried and lived with her parents at 12 Sunrise Lane, Old Town, Ravipur 400000. Petitioner No. 2 was unmarried and lived with his parents at House 22, Lakeview Colony, Ravipur 400000.

2.2 At present, Petitioner No. 1 lives with the Child at Flat 7B, Gulmohar Residency, Sector 4, Ravipur 400000. Petitioner No. 2 lives at House 22, Lakeview Colony, Ravipur 400000. Each Petitioner will tell the Court and the other Petitioner in writing of any change of address while this petition is pending.

2.3 From the occupations stated above, Petitioner No. 1 earns about Rs 95,000 a month and Petitioner No. 2 earns about Rs 1,60,000 a month. Each Petitioner has disclosed his or her income, assets and liabilities to the other before signing the settlement described in paragraphs 7 to 10.

3. Children of the marriage

3.1 One child was born of the marriage: a daughter, **Anaya**, born on 3 August 2020, now aged 5 years. She studies in Class I at Greenfield Public School, Ravipur.

3.2 Since the separation described in paragraph 4, the Child has lived with Petitioner No. 1. Petitioner No. 2 has met her regularly by arrangement between the Petitioners.

3.3 No other child was born of the marriage, and no child has been adopted. Petitioner No. 1 is not pregnant on the date of this petition.

3.4 The Petitioners ask the Court to record in the decree the arrangements for the custody, maintenance and education of the Child set out in paragraph 8, which they have made with her welfare as the first concern and after listening to her wishes, as far as her age allows.

4. Cohabitation and separation

4.1 After the marriage, the Petitioners lived together as husband and wife at House 22, Lakeview Colony, Ravipur 400000. They last lived together at that address.

4.2 Differences of temperament and outlook arose between the Petitioners within the first years of the marriage. They grew over time, despite efforts by both Petitioners and their families to resolve them.

4.3 On **1 January 2024**, Petitioner No. 1 left the matrimonial home with the Child and moved to Flat 7B, Gulmohar Residency, Sector 4, Ravipur 400000. Since that date the Petitioners have not lived together as husband and wife, have not cohabited for a single day and have had no marital relations.

4.4 On the date of presentation of this petition, the Petitioners have lived separately for a continuous period of **two years and two months**, which is more than one year. The separation is complete: they do not share a household, meals, finances or a social life, and they meet only to arrange the Child's visits.

5. Efforts at reconciliation

5.1 Elders of both families met the Petitioners on 12 February 2024 and 9 June 2024 to try to bring them together. These meetings did not succeed.

5.2 The Petitioners attended six joint sessions with a marriage counsellor, Dr. Kavita Rane, between April 2024 and October 2024. The counsellor's report is filed as **Annexure P-5**. The sessions helped the Petitioners speak to each other with respect, but did not lead to a reconciliation.

Downloaded from legaldraftapp.com. General information, not legal advice. Have a qualified lawyer review this document before you rely on it.

5.3 While the earlier cases described in paragraph 10 were pending, the Petitioners were referred to the Mediation Centre, Family Court, Ravipur. With the mediator's help, they settled every dispute between them by a written settlement agreement dated **20 February 2026** (the "**Settlement Agreement**"), filed as **Annexure P-6**.

5.4 The Petitioners have no hope of living together again. They remain willing to take part in any further effort at reconciliation or settlement that this Court directs, and they will attend counselling if the Court so orders.

6. Mutual agreement to dissolve the marriage

6.1 The Petitioners have not been able to live together since 1 January 2024. They have given the matter long thought and have concluded that the marriage has ended in all but name.

6.2 The Petitioners have **mutually agreed that the marriage should be dissolved** by a decree of divorce. Each of them gives this consent expressly, unconditionally and in writing in this petition and in his or her affidavit.

6.3 The Petitioners know that the Court will hear them again on the second motion, not earlier than six months and not later than eighteen months after the presentation of this petition, and that it may pass the decree only if it is satisfied that the statements in this petition are true. Each Petitioner will appear in person on the first motion and on the second motion and confirm this consent before the Court.

7. Permanent alimony

7.1 Petitioner No. 2 will pay Petitioner No. 1 a lump sum of **Rs 24,00,000** (Rupees Twenty-Four Lakh only) as permanent alimony. This sum is the full and final settlement of all past, present and future claims of Petitioner No. 1 for maintenance, alimony and residence against Petitioner No. 2 and his family.

7.2 Petitioner No. 2 will pay the permanent alimony in two instalments, by demand draft drawn in favour of Petitioner No. 1:

(a) **Rs 8,00,000** on the day the Court records the statements of the Petitioners on this petition (the first motion). Petitioner No. 1 acknowledges that she will receive it before the Court; and

(b) **Rs 16,00,000** on the day the Court records the statements of the Petitioners on the second motion, before the statements are recorded.

7.3 If Petitioner No. 2 does not pay an instalment on time, Petitioner No. 1 is not bound to make the second motion until it is paid, and she may ask the Court to enforce this undertaking.

7.4 After receiving the full amount, Petitioner No. 1 will make no claim for maintenance, alimony, stridhan or residence against Petitioner No. 2 or his family members in any court, now or later. This waiver does not affect the Child's separate right to maintenance under paragraph 8.

7.5 Each Petitioner bears his or her own tax on the amounts in this paragraph, if any.

8. Custody, access and maintenance of the child

8.1 **Custody.** Petitioner No. 1 will have the permanent custody of the Child. The Child will live with her, and she will take day-to-day decisions about the Child's care.

8.2 **Joint decisions.** The Petitioners will decide together, in writing, on any change of school, any planned medical procedure (other than an emergency) and any travel of the Child outside India.

Downloaded from legaldraftapp.com. General information, not legal advice. Have a qualified lawyer review this document before you rely on it.

Neither Petitioner will refuse consent without good reason. Each Petitioner will sign the forms needed for the Child's passport within fourteen days of a request.

8.3 **Visitation.** Petitioner No. 2 will have access to the Child as follows:

(a) every alternate weekend, from 10:00 on Saturday to 18:00 on Sunday, collecting and returning the Child at the residence of Petitioner No. 1;

(b) half of the summer vacation and half of the winter vacation of the Child's school, in a single block, on dates agreed in writing by 31 March of each year;

(c) Diwali and the Child's birthday in alternate years, and his own birthday each year from 16:00 to 20:00; and

(d) video calls of up to thirty minutes on at least three evenings a week, between 18:00 and 20:00.

8.4 **Changes.** The Petitioners may change the schedule by agreement in writing, including by email or message, to suit the Child's studies, health and wishes. A missed visit because of the Child's illness or examinations will be made up within one month.

8.5 **Maintenance of the Child.** Petitioner No. 2 will pay **Rs 20,000** per month for the maintenance of the Child, by bank transfer to the account of Petitioner No. 1 by the 7th day of each month. This amount will increase by 7 per cent on 1 April of each year. He will also pay one half of the Child's school and tuition fees, uniforms, books and medical expenses not covered by insurance, within fifteen days of receiving a copy of the bill.

8.6 **Duration.** The obligations in paragraph 8.5 continue until the Child attains the age of 18 years or completes her first graduate degree, whichever is later. Petitioner No. 2 will keep the Child covered under his employer's health insurance or an equal policy for the same period.

8.7 **Welfare first.** The Petitioners understand that this Court may vary the arrangements for custody, maintenance and education of the Child at any time on an application, if the Child's welfare requires it.

9. Stridhan and joint property

9.1 Petitioner No. 1 has received back all her stridhan, jewellery and articles listed in **Schedule A** to the Settlement Agreement, including the gold necklace set, four bangles and the silver puja set. She acknowledges receipt by her signature on that Schedule dated 20 February 2026. She has no further claim to any stridhan or article with Petitioner No. 2 or his family.

9.2 The household articles presented to both Petitioners at or about the time of the marriage, listed in **Schedule B** to the Settlement Agreement, have been divided between them as that Schedule records. Each Petitioner keeps the articles allotted to him or her as sole owner.

9.3 The Petitioners jointly hold a fixed deposit No. FD-0000-1234 with Ravipur Co-operative Bank. They will close it within thirty days after the first motion and share the proceeds equally. They have no other jointly owned property and no joint loans.

9.4 Each Petitioner keeps, as sole owner, every asset and bank account in his or her own name, and is alone responsible for the debts in his or her own name.

10. Withdrawal of other cases and undertakings

10.1 The following proceedings between the Petitioners are pending:

(a) M.C. No. 214 of 2025, a petition for maintenance pending before the Family Court, Ravipur, filed by Petitioner No. 1 against Petitioner No. 2; and

(b) HMA No. 902 of 2025, a petition for restitution of conjugal rights pending before the Family Court, Ravipur, filed by Petitioner No. 2 against Petitioner No. 1.

10.2 Within thirty days after the Court records the statements on the first motion, each Petitioner will withdraw the case he or she filed, and will file a copy of the withdrawal order in this Court before the second motion.

10.3 Neither Petitioner will file any civil or criminal case, complaint or application against the other, or against the other's family members, about the marriage or anything arising from it. A proceeding to enforce this petition, the Settlement Agreement or the decree is excepted.

10.4 Each Petitioner will remove, within seven days after the first motion, any post or message about the other on social media, and will not make any statement about the other's character in public.

10.5 The Petitioners undertake to make the second motion together when it falls due, to appear in person, and to abide by the terms in paragraphs 7 to 10. They ask the Court to record these undertakings and to make them part of the decree.

11. Free consent

11.1 Each Petitioner has given consent to this petition of his or her own free will. **The consent of neither Petitioner has been obtained by force, fraud or undue influence**, and no pressure or inducement other than the terms set out in this petition has been used.

11.2 Each Petitioner has read the petition and the Settlement Agreement in a language he or she understands, has had the chance to take independent advice and understands the effect of a decree of divorce.

11.3 The consent of each Petitioner is express and unequivocal. It is not to be inferred from any other proceeding between them.

12. No collusion

12.1 **There is no collusion between the Petitioners** in presenting or prosecuting this petition. They have not agreed to hide any fact from the Court or to mislead it, and they have not made this petition to obtain a decree for any purpose other than the genuine end of their marriage.

12.2 The settlement terms set out in paragraphs 7 to 10 are disclosed in full. There is no other agreement, payment or promise between the Petitioners or their families about the divorce.

13. No improper delay

13.1 There has been no unnecessary or improper delay in presenting this petition. The Petitioners spent the time since 1 January 2024 trying to reconcile through their families, counselling and mediation. They presented this petition soon after the Settlement Agreement of 20 February 2026.

Downloaded from legaldraftapp.com. General information, not legal advice. Have a qualified lawyer review this document before you rely on it.

14. Previous proceedings

14.1 Apart from the two proceedings in paragraph 10.1, no suit, petition or complaint has been filed by either Petitioner against the other in any court in India or abroad, and none is pending. No earlier petition for divorce, judicial separation or nullity between the Petitioners has been filed or decided.

14.2 The Petitioners have not filed any other petition on the same facts in any other court.

15. Jurisdiction

15.1 This Court has jurisdiction to try and decide this petition because the marriage was solemnised at Shubh Mangal Hall, Station Road, Ravipur, and the Petitioners last resided together at House 22, Lakeview Colony, Ravipur 400000. Both places are within the local limits of the ordinary original civil jurisdiction of the district court at Ravipur.

15.2 Petitioner No. 1, who is also a petitioner, resides at Flat 7B, Gulmohar Residency, Sector 4, Ravipur 400000 on the date of presentation, which is within the same limits.

15.3 A Family Court has been established for Ravipur. Proceedings between the parties to a marriage for the dissolution of the marriage in this area lie before this Court and not before the district court or any subordinate civil court.

16. One year since the marriage

16.1 More than one year has elapsed since the date of the marriage on 14 February 2019. On the date of presentation of this petition, the Petitioners have been married for more than seven years. No leave of the Court under the proviso to section 14(1) of the Act is needed.

17. Court fee

17.1 The Petitioners have paid the court fee payable on this petition under the court fees law in force in the State, as stamped on the first page.

PRAYER

In the facts and circumstances set out above, the Petitioners most respectfully pray that this Court may be pleased to:

(a) record the statements of the Petitioners on this joint petition (first motion) and fix a date for the second motion;

(b) on the joint motion of the Petitioners made not earlier than six months and not later than eighteen months after the presentation of this petition, or earlier if the Court waives the waiting period on a separate application, pass a **decree of divorce under section 13B of the Hindu Marriage Act, 1955, declaring the marriage between Petitioner No. 1 and Petitioner No. 2, solemnised on 14 February 2019, dissolved with effect from the date of the decree**;

(c) record in the decree the terms of settlement in paragraphs 7 to 10, including the permanent alimony, the custody, access and maintenance of the Child and the division of property, and direct the Petitioners to abide by them;

(d) direct that a copy of the decree be given to each Petitioner free of cost; and

(e) pass any other order that this Court thinks fit and proper in the interest of justice.
